# LEARNING MADE AWESOME

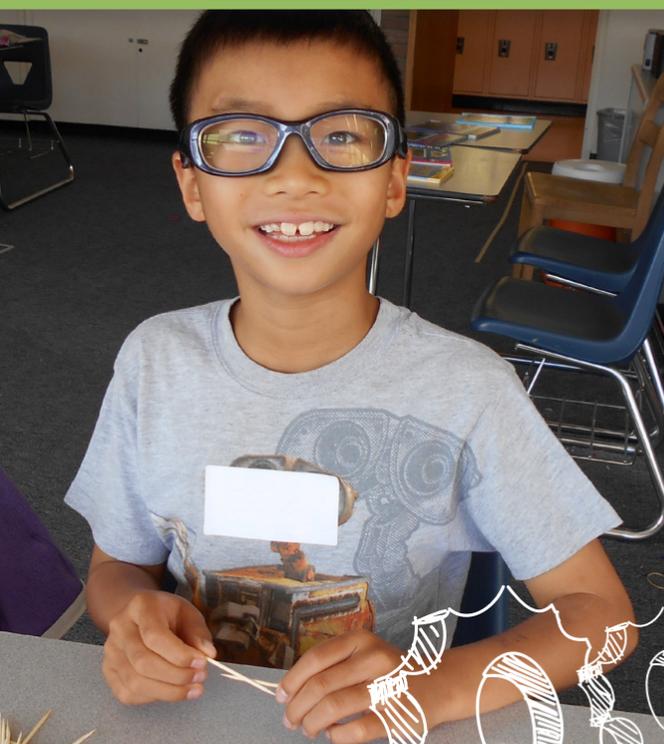

**We believe kids are capable of outstanding growth.** Here learning is celebrated, quality instructors engage students, and hands-on projects SPARK excitement. We help campers accomplish great leaps in learning in a short time, all while making summer awesome.

We use The Brainsy Method, our custom pedagogy built by life-long educators who love the art of teaching. It boils down to this: One subject each week approached from every angle—dream it, write it, build it, act it out, jump all over it, launch it in a rocket, and do it again. The learning is always project-based, with rich and unique curriculum, low instruction ratios, and enthusiastic and capable teachers.

Enjoy the added convenience of healthy catered lunches included in every registration and extended care options that run from 8am to 5:30pm.

## 2018 THEMES / PROGRAMS

### PUBLIC SPEAKING

#### Take the Stage (1st - 3rd)

Join our theater crew for an introduction to public speaking and acting.

- \* Weekly mini production where everyone has a chance to actively participate
- \* Focus on effective delivery and speaking with confidence
- \* 1:6 ratio allows for lots of personal attention

#### Mock Trial (4th - 6th)

Classic fairytales turned upside down in the courtroom. Be the lawyer, witness, defendant and more.

- \* Focus on delivery and argumentation, great for critical thinking and debate
- \* Daily court trials for constant speaking practice
- \* Various roles in a team setting to meet the needs of any level speaker

#### Broadcasting (1st - 6th)

Green screens everywhere! For one special week we turn camp into a broadcast studio with newscasters, weather reports, field reporters, and more.

- \* Join the team and create a new show using green screen technology
- \* Focus on speaking and technical studio skills
- \* Unleash creativity with set design and storyboarding projects

### CREATIVE WRITING

#### Storytellers (1st - 3rd)

Craft your own original tale and then watch it come to life on green screen as you narrate it.

- \* Focus on story structure and content
- \* Choose your own adventure guides story
- \* Verbal and written activities for varied levels

#### Creating Characters (4th - 6th)

Explore creative writing that grows from the characters at the heart of the tale.

- \* Focus on character-driven short stories and writing technique
- \* Campers capture their final tale in a custom made writing journal
- \* Creative story-telling activities get campers outside and moving

### ENGINEERING

#### Builders Workshop (1st - 3rd)

Creativity and innovation explode for a week of science exploration through engineering.

- \* Recent projects include: Air cannon rockets, PVC archery, Paddle boats and more
- \* Explore concepts of force, buoyancy, laws of motion
- \* Enjoy a science showcase of student projects at the end of week

#### Power Up! (4th - 6th)

Transform the ordinary into the amazing. Join us as we design and build our way through engineering challenges, then add power to make them awesome!

- \* Recent projects include: low friction wire racers, tube speakers, and air cannon rockets and cars
- \* Explore concepts in friction reduction, force diagrams, basic electronics, and more

### LEADERSHIP

#### Superheroes (1st - 3rd)

Get your cape and fly into adventure. Practice leadership like a superhero!

- \* Each camper creates their superhero persona around leadership traits
- \* Activities include creating capes, masks, insignias, comics book pages and more

#### Get Elected! (4th - 6th)

You're the new kid at the Worst School Ever and you are running for president. Camp is a crazy board game where you build a campaign to win.

- \* Build your campaign including: your election speech, green screen commercial, and poster
- \* Focus on community centered leadership, with activities to explore debates, individual values, team challenges and more
